

Rome to Monte Carlo Luxury Cruise

October 5-12, 2019 on board Azamara's newest ship the ms Azamara Pursuit

Olivia brings you the BEST of the Mediterranean as we travel in luxury, exploring the hidden treasures of Italy and ending in Monte Carlo, Monaco. Begin your journey along Italy's Mediterranean Coast in Rome, the Eternal City. Spend the day and night in Sorrento, the city famous for winding cliffside roads and incredible seascapes where you can savor coastal fare and delicious gelato (because even in October it will feel like summer!). The port city of Livorno is the gateway to the magnificent art and architecture, palaces, churches and museums of Florence, as well as Pisa's famous leaning tower. You'll spend two full days in Livorno, affording you the opportunity to see both Florence and Pisa during our stop. When you picture classic Italian romance, the setting could very well be Portovenere and in Portofino you'll discover charming waterside restaurants and a tiny town of pastel houses lining the shore of a small harbor full of sleek yachts. End your journey in Monte Carlo, home to the legendary Grand Casino and the Monaco Grand Prix and explore the breathtaking beauty of the city.
