ACTIVITY LEVEL

These trips do require a level of mobility, as most of the tours are walking tours for up to 3 hours, which may include walking on cobblestone streets and stairs. A “Gentle Walkers” Group is offered on most included walking tours, which accommodates those needing a little extra time and sometimes a shortened version of a tour, keeping in mind as few stairs as possible. If you are bringing a portable wheel chair or collapsible travel scooter, they must be able to collapse and be stored in your cabins. They cannot be used to get around the ship, only to use while off the ship. They may be used on tours that are accessible, but that can be difficult because of the cobblestone streets, stairwells and the need to lift them on and off curbs. If you do have limited mobility, you are required to travel with someone who can assist you to lift the scooters.

VACATION STRETCHERS

We will be offering vacation stretchers in Amsterdam and Zurich. In Amsterdam, you might enjoy a walking tour of the Red-Light District, the LGBTQ area of Amsterdam, or spend time in Keukenhof Gardens. In Zurich, the adventure continues in Lucerne where you will take a tram up to Mt. Titlis for a beautiful 360° view of the Alps, visit a Cheese Factory for lunch to try local specialties and have the opportunity to make your own delicious swiss chocolate bar at a swiss chocolate factory (tastings included)! Information on these will be available approximately 9-11 months in advance of the trip.
